

## AMUT will exhibit at PRS ASIA 2024

### Booth J16

13-14 November 2024

Marina Bay Sands, SINGAPORE

(Novara, Italy – 21 October 2024) - AMUT is pleased to announce that will be exhibiting at Plastics Recycling Show Asia, the event specifically dedicated to plastics recycling, to be held 13 to 14 November 2024, at the Marina Bay Sands Expo and Convention Center, Singapore.

Meet our experts at stand J16 and find out how you can benefit from our custom-designed recycling technologies, tailored to meet the most demanding requirements of the plastics industry. AMUT's integrated sorting and washing lines, developed for a cleaner environment, are equipped with the patented De-Labeller and Friction Washer. Complete plants, with capacities from 1,250 to 6,000 kg/h, designed to process PET, HDPE, PP bottles, containers and PE film. These turnkey systems, suitable for processing contaminated plastics from the front sorting section to washing, provide high-purity flakes with water consumption reduced to 1.1 liter per kg of high-quality flakes.

AMUT proven solutions are the result of years of technological advances designed to improve productivity, performance and energy efficiency.
