

## AMUT will exhibit at PLASTICS RECYCLING SHOW EUROPE 2024

(Novara, Italy – 16 May 2024) - AMUT is glad to announce that will exhibit at Plastics Recycling Show Europe (PRSE) 2024, the International Expo for plastics recycling, taking place 19 - 20 June 2024, at RAI, Amsterdam, The Netherlands.

Meet our experts at booth U11 and learn more about how you can benefit from our customized recycling technology, suitable to respond to the most demanding plastic industry requirements.

Our recycling solutions contribute to reducing environmental impact by reusing post-consumer plastic scraps. AMUT single source integrated sorting and washing lines, developed for a greener environment, are equipped with the patented De-Labeller and Friction Washer. The complete plants, ranging from a capacity of 1,250 up to 6,000 Kg./h., are designed to process PET, HDPE, PP bottles, containers and PE film. These turnkey solutions are suitable for processing contaminated plastics, from the front sorting section to washing.

AMUT offering includes the design and construction of plastic recovery facility (PRF), material recovery facilities (MRF) for the waste recycling industry, including material recovery from post-consumer waste, plastic recovery from post-consumer plastics and Industrial and household waste sorting and recovery.
