

OPEN HOUSE AT AMUT DOLCI BIELLONI PREMISES

During the Plast fair that will take place from the 5th to the 9th of May in Milan, will be show the progress of AMUT DOLCI BIELLONI technologies: three cast, one blown film line and a flexo gearless machine in operation in Biassono factory, which is only 25 minutes far from the fairground.

We will have on display:

- one **7 layer 2000 mm wide Super Power stretch film cast line** with 6 extruders, a new chill roll system and the innovative rewinder for automatic wrapping machines and high quality hand rolls.
- One **5 layers 1500 mm wide stretch film cast line** for the production of hand, machine and jumbo rolls.
- One **3 layers 1000 mm wide stretch film cast line** for very thin gauge films, for hand and machine rolls.
- HI-TECH, a fully automatic **3 layers 2400 mm wide blown line** for shrink and laminating film and stretch hood.
- A TELIA model **gearless flexo machine**.

A shuttle bus will leave every day at 2 p.m. from the AMUT GROUP booth and will take the Customers to attend the open house, and back to the show or to their hotel.
